17th December 1991

JHB/VT/30775

Dear Marta

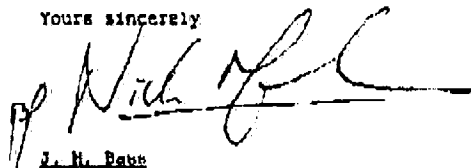

PM 1826 Philippines
Our Ref: 30775

I refer to my letter of 12 November reporting an office action due for reply on 28 December 1991.

Although strictly speaking I can reply to the action by forwarding a copy of the US patent, which I will now do because of the urgency arising from the intervention of the Christmas holiday, this leaves outstanding the question of whether the claims in the Philippines should be amended in the same way as those in the United States.

It would be convenient to deal with all these matters in a single response and I should therefore be grateful for your early instructions.

Yours sincerely

J. H. Bass
